Technical information

Productnumber : 86STR-610-S

Product description

Advantage set consisting of 2 lashing straps and 1 folding aluminum ramp/threshold plate. Very suitable for mobility scooter, wheelchair, scooter, moped, rollator or e-bike. Easy to move due to the light weight and the anti-slip profile prevents slipping.

Attention! At a ramp height lower than 9 cm, the handle can make the ramp unstable. For optimal use, we recommend removing it.
