Technical information

Productnumber : 98-6200

Product description

Fully collapsible painted mesh container with Euronorm 1200x1000 mm. This gitterbox is easy to fold due to its hinged walls. One long side wall folds away halfway for easy access. The sturdy steel frame stands on four legs and is easily picked up by a forklift or pallet truck on both sides. The wire container is easily stackable both when collapsed and unfolded. The bottom is made of flat sheet steel and the walls are mesh 50x50x4 mm.

Notice! This wire mesh container has been used once so is as good as new. These mesh containers were produced in 2019, however never put into use. Therefore, they are still like new, only a little dirty in storage.

Specifications

Article arrangement: Used
Version: 1 flap at 1 long side
Walls: mesh 50*50*4 mm
Euronorm (mm): 1200 x 1000
Surface treatment: painted
Internal length (mm): 1108
Internal width (mm): 944
Internal height (mm): 820
Loading capacity (kg): 1382
Weight (kg) 118
Type number: 98-6200
Additional specifications: used once

Type: stackable and foldable
Material: steel
Floor: flat steel
Colour: blue
Length (mm): 1200
Width (mm): 1000
Height (mm): 1000
Insertion height (mm): 100
Volume (ltr): 847
Stacking load (kg): 9000
Height when folded (mm): 380
EAN Code (Gtin) 8719424222357
