Technical information

Productnumber : 80-BO90

Product description

Compose your own roller conveyor. The roller conveyor is available in various sizes and curves, making it suitable for use in many areas. The unpowered roller conveyor is standard equipped with side guides and manually removable mats (see film). The angle of inclination depends on the weight of the goods to be transported.

- roll width 440 mm
- roll diameter 50 mm
- center-to-center distance 62 mm
- load capacity per roll 25kg

Specifications

Article arrangement: New

Version: 90 degree bend

Colour: blue

Width (mm): 468

Type number: 80-BO

Type: with plastic rollers

Material: steel

Surface treatment: powdercoating

Height (mm): 127

EAN Code (Gtin) 8719424015058
