Technical information

Productnumber : 91-138TA8173

Product description

Hand spreader with a spreading width of 2 to 4 meters. With a capacity of 30 liters and can be used with salt or gravel. Ideally suited for school and company grounds, church paths and parking lots.

The salt spreader is partly pre-assembled and therefore quickly ready for use. The frame is coated to prevent rusting. In addition, the spreader has large 22 cm pneumatic tires for smooth use and a soft grip on the push bar.

Specifications
