Product description

Set of four stacking racks with dimensions of 1550x1180x300 mm. The stacking racks can be easily stacked on top of each other, expanding storage capacity vertically. When not in use, the racks can be nested together to save space. The racks are compatible with 60.3x3.65 mm stakes, allowing you to store a variety of materials. The stanchions provide extra stability and safety while storing your goods. The stacking racks have a paint coating, under the paint coating the stacking rack contains a thermal finish.
