Product description

The Atlas is a lightweight aluminium ladder. Idea for the construction site or workshop. The unique D-rung is secured sturdily due to its special shape. The deep standing surface provides increased comfort.

The single straight ladder is compact for storage. And easy to grab whenever you need it.

The Red Step® on your ladder/steps indicates the height at which you can safely work. In the blink of an eye, you can clearly see how high you can go.
