

Technical information

Productnumber : 852982

Product description

Hardware store trolley or DIY shopping cart with four side brackets. The loading surface is made of waterproof plywood with an anti-slip profile. The cash and carry trolley has a load capacity of 500 kg. The CC trolleys can be pushed together for a space saving of 75%. The two swivel castors with brakes and two fixed castors make the trolley very manoeuvrable and suitable for shopping. Two brackets have a height of 680 mm and two side brackets on the fixed wheel side have a height of 500 mm. The platform trailer has been treated with a powder coating that makes the exterior very robust and scratch-free.
