

Technical information

Productnumber : 852881

Product description

Box trolley with three tiltable and adjustable floors with a load capacity of 250 kg. The three levels have a wooden inlay and are infinitely adjustable between 0° and 35°. The side trolley is fitted with two swivel castors with brakes at the front and two standard swivel castors at the rear. The steel frame has a powder coating that makes the trolley scratch-resistant and robust.

Specifications

Article arrangement: New
