Product description

Used mesh container 930x670 mm. This gitter box has three closed mesh walls and a wooden bottom with a flat steel plate on top. One long side is open for easy access to the contents. The frame and mesh are painted for a robust exterior. The mesh box stands on a sturdy steel frame with four legs, making it easy to pick up the gitter box on each side with a forklift and pallet truck. The top is equipped with stacking lugs to make stacking easy and safe.
