Product description

Used blue painted mesh container made of steel with profiled steel sheet in euro size 1000 x 800 mm. On one long side the gitterbox can be folded half open. The steel frame and mesh are painted for a robust exterior. The sturdy base on four legs makes the gitterbox suitable for forklift and pallet truck and can be picked up from any side. The top features stacking lugs with lifting eyes (not certified for lifting) for easy stacking of the box.
