

Technical information

Productnumber : 98-8022GB

Product description

Used laundry rolling container with hinged shelves. The two swivel and two fixed-wheel rubber wheels make the container very manageable. The frame is made of electrolytically galvanised steel. These transport trolleys are specially designed to transport quantities of laundry and linen between laundry and final destination, so that these washes can be kept clean. Suitable for both indoor and outdoor use. Very handy if the container has to be moved via laundry to a hospital or hotel.

Specifications

Article arrangement: Used

Version: fixed construction

Walls: mesh

Wheels front: 2 castor wheels solid rubber 125 mm

Wheels back: 2 fixed wheels, solid rubber 125 mm

Colour: golden colour

Length (mm): 800

Width (mm): 610
