Technical information

Productnumber : 12-8420EURD

Product description

The Master Lock Adjustable Cable Lock is 4.5m long and has a 10mm diameter braided steel cable for maximum strength and flexibility. The protective vinyl coating prevents scratches. The integrated keyed and pin cylinder locking mechanism offers superior resistance to cracking. The rust-resistant lock and vinyl-coated cable provide superior weather and scratch resistance. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.

- Patented locking mechanism holds the cable taut at 12" to 15' for an infinite number of locking positions
- Interchangeable cables for flexible application
- 100% steel braided cable
- Weather and rust resistant lock housing and cable
- Vinyl covering and lock housing bumper prevent scratches
- Band holds cable together so lock can be stored small

Specifications

Article arrangement: New

Version: adjustable, with locking mechanism

Colour: black/yellow

Width (mm): 10

Type number: 8433EURD

EAN Code (Gtin) 8719424173864

Type: cable lock

Material: steel/plastic

Length (mm): 4500

Weight (kg) 1.2

Additional specifications: incl. 2 keys
