## Product description

The security chain is 1.5 m long and has links made of hardened steel with a diameter of 6 mm, making it resistant to cutting and sawing through. The welded steel link design is highly resistant to prying open. The protective vinyl cover prevents scratches. The limited lifetime warranty offers peace of mind coming from a brand you can trust.

- Chain made of hardened steel
- Ø 6 mm square links that are more resistant to cutting
- Thermoformed vinyl protective cover against scratches
