Technical information

Productnumber : 12-T6-331ML

Product description

The large safe with high security and digital combination is made to protect your belongings from theft and other attacks. The sturdy steel construction, 1-inch (2.5 cm) steel live-locking bolts and hidden door hinges provide assurance that your irreplaceable items are safe. The programmable electronic lock allows you to choose your combination, and the unlocking key allows you to access your safe at any time, even in case of a forgotten combination. Because the shelves in it are adjustable, you have plenty of storage space, and the lining inside keeps the contents protected from scratches during storage.

- Solid steel construction
- 4 steel live locking bolts and a concealed hinge for increased security against attacks and attempted opening
- Programmable digital combination with unlocking key - includes 2 keys.
- Coated bottom
- 2 adjustable shelves - key rack - key rack, Bungee organization system
- Includes supplies for securing safe

Specifications

Article arrangement: New

Version: with digital combination

Colour: black

Height (mm): 610

Type number: 331ML

Type: safe

Material: steel

Width (mm): 390

Depth (mm): 410

EAN Code (Gtin) 8719424226768
