## **Technical information**

Productnumber: 98-6543GB

## **Product description**

These used stacking racks can be used as mobile warehouse racking and are flexible in height. The loading floor is designed for bulky or just difficult to palletize goods. You can determine the height of the stacking racks yourself.

An indispensable logistics solution for almost any warehouse or business logistics. Think of environments such as the metal industry, large construction, small construction, production companies and the automotive industry.
