Product description

The most comfortable ladder. The Nevada has many smart features. The ergonomic box-profiled shape with ERGO-GRIP provides a sturdy, natural grip. Extra high rungs offer optimum support for your shins. This is a multifunctional reform ladder. Use it as a sliding ladder up a façade or set it up in the A-position (Reform position) Perfect for every task.

The extra deep rungs with anti-slip standing surface ensure increased comfort and the bended beams provide stability. This ladder is easy to use in its push-up position due to the plastic guides and the top rolls at the ends. The top quality black coating is attractive as well as dirtresistant.

The Red Step® on your ladder/steps indicates the height at which you can safely work. In the blink of an eye, you can clearly see how high you can go.
