

Productnumber: 72500361

Product description

The TL Smart Up Pro is the first professional telescopic ladder with treads. With the integrated wall distance holder and toolbag, your tools are always to hand. Handy and safe. This telescopic ladder is automatically extendible and has 80 mm deep treads.

The TL Smart Up Pro can be used at variable working heights. The ideal ladder for professionals who need to carry out work on location, such as inspections, repairs or maintenance.

The Red Step® on your ladder/steps indicates the height at which you can safely work. In the blink of an eye, you can clearly see how high you can go.
