Product description

Versatile reform ladder

A safe and stable ladder

This versatile reform ladder is a practical solution. The ladder can be used both as a wall ladder and as a freestanding ladder, allowing you to adapt it to your needs. Made of high-quality aluminium, the ladder is very sturdy and durable. The hinges are reinforced with die-cast aluminium and the ribbed 'Quick Safe' locking mechanism ensures secure closure. The ladder has a comfortable guide made of stainless aluminium and integrated non-slip feet. The base is flared and the ladder feet are hollow, making the ladder very stable.

The uprights are reinforced against impacts and have large steps (30 x 30 mm), making the ladder more comfortable to stand on. The strap is detachable for free passage under the ladder.

Specifications:

Number of sections: 2

Folded-up height: 4.04 m

Number of steps: 2 x 8

Material: aluminium

Working height unfolded: 4.94 m

Folded-in height: 2.36 m

Working height collapsed: 3.26 m

Length of floor surface: 1.66 m

Floor area width: 0.71 m

Length of step: 30 mm

Step width: 30 mm

EN Standard: EN 131

Max. load: 150 kg

Weight: 10 kg

Safety tips:

Check the ladder regularly for damage.

Additional tips:

The ladder is collapsible to a size of 2.36 m.

The ladder is easy to fold and unfold.

Specifications

Article arrangement: Used

Version: 2-part lid, 2x8 steps

Subgroup: Ladders

Surface treatment: signs of use

Height (mm): 2370

Weight (kg) 10

Type number: A172871

Min Height (mm): 2370

Work height (mm): 4940

Type: echelle transformable

Material: aluminium

Colour: alu silver

Width (mm): 850

Loading capacity (kg): 150

Options: Norm: EN 131

Additional specifications: retractable

Max Height (mm): 3260

EAN Code (Gtin) 8719424229202
