Product description

Single-use transport case on wheels. Made of reinforced plastic, this flight case is lightweight and easy to move thanks to its handle and two fixed-wheel castors. The hinged lid can be closed with two quick release buckles.

- Thickness of plastic 4 to 6 cm
- Strong plastic: it is made of virgin polyethylene plastic material, which is highly impact and shock-resistant
- Weatherproof and UV resistant
- Splash-proof IP65

Note! NOT suitable as a roof box on the car. The transport case contains some scratches.
