Product description

Practical folding platform trolley. The load capacity is 300 kg. The platform cart is made of lacquered steel in one piece. The loading surface is provided with an anti-slip layer and impact protection all around. The push handle is foldable, making the trolley easy to store and transport. The push cart has two swivel wheels and two fixed wheels made of non-marking rubber. Perfect for frequent use.

- Trolley made of painted steel in one piece.
- Reinforced non-slip shelf.
- Edge with rubber bumpers.
- High push handle to prevent problems with the musculoskeletal system.
- Hinges that protect the fingers and the folding system from the push handle.
- Quiet, non-marking wheels with low rolling resistance.
