Product description

This heavy table trolley is specially constructed for heavy loads. The high-quality elastic non-marking belts with ball bearings enable a handy and very smooth running. The frame has been treated with powder coating, which makes it very robust and scratch-resistant. The floors are made of waterproof plywood with an anti-slip top layer. The load capacity of the top floor is 500 kg with a total load capacity of 1200 kg. The platform trolley is equipped with two braked swivel castors and two fixed castors.
