Product description

Used warehouse trolley, also known as a table trolley. The table trolley features 2 wooden platforms and a steel frame. Steel is resistant to wear and tear and can carry heavy loads, making the warehouse trolley suitable for industrial applications, an assembly workshop, a warehouse or a shipping department. The open side walls of the shelf trolley provide easy access to the contents and allow quick inspection and updating of the load. Excellent driving characteristics thanks to the TPE tyre. Quiet, non-sticky and requires little effort to set the trolley in motion. Using the 2 vertical push handles to protect hands from entrapment and hold the trolley in 2 directions.
