

## **Product description**

TÜV certified extension section for modular Kruizinga.nl packing table, 1300 mm wide. Very suitable for comfortable and fast packing, repacking, labeling, weighing and shipping. The base has the dimensions of 100x130x80 cm (WxHxD). The superstructure is 30 cm deep and 100 cm high. A storage rack with a TÜV certificate or TÜV quality mark is confirmation that a storage rack meets the requirements set in legislation, standards and quality marks.

Please note! This extension can only be placed in combination with an existing packing table. See items that can be combined below.
