Technical information

Productnumber : 84-BL25075LA

Product description

Extension section consisting of 1 worktop, 1 upright, 2 beams and mounting material. Widely used in warehouse or packing departments. Well suited for light or heavy duty assembly, packaging, repair and inspection applications. The workbench has a scratch and impact resistant powder coating and a worktop made of 40 mm thick beech wood treated with clear linseed oil. The frame is made of steel and equipped with 2 beams. This makes the table easily adjustable in height (min. 65 cm, max. 100 cm). Distance between the adjustable heights is 4.5 cm.

Supplied with mounting material + drawings (see manual below).

ATTENTION: THIS IS ONLY AN ADDITIONAL SECTION: A minimum of one basic section is required to fit this add-on section (art.no. 84-BL25075L), after which infinite expansion is possible.

Specifications

Article arrangement: New

Version: EXTENSION adjustable in height without shelves

Top: working surface of beech plywood, 40 mm high

Ral colour: 5009

Width (mm): 2500

Depth (mm): 750

Options: without drawer

Min Height (mm): 650

EAN Code (Gtin) 8719424109177

Type: workbench

Material: steel

Colour: blue

Surface treatment: powdercoating

Height (mm): 650

Loading capacity (kg): 1000

Type number: 84-BL250LA

Max Height (mm): 1000
